Build brand awareness of your company or service by advertising with The Builders, a chapter of the AGC.

Our quarterly publication, *Modern Builder* magazine, reaches over 2,000 owners, contractors and other businesspersons in the greater Kansas City area as well as in the Central and Southern Regions of Missouri. Each issue shares stories of our members' successes, recaps recent association events and welcomes new members to the association. As a Builders member, you will receive a discount on *Modern Builder* ads and additional discounts are available when you advertise in multiple issues.

"Of course, I've heard of them. They advertise in Modern Builder!"

In addition to *Modern Builder*, advertising opportunities are also available via:

- **Streaming ads on our website** www.thebuildersagc.com for \$200 per month, with a three-month minimum advertising commitment.
- **The Builders e-News**, our electronic newsletter, is emailed to subscribed members at the beginning of each month.
- **The Builders e-News thought leadership snippet**. Your 75-100 words contribution would focus on the specific call to action you want the audience to take. This is an opportunity to direct people to longer content you want to share, to register for an event, or to briefly explain a service offering or area of expertise you have. It will appear in the "Around the association" section of our Builders e-News with a "sponsored content" tag.
